Dear Sir or Madam

I have just seen your advertisement for jobs on board of your cruise ships and I would like to apply.

I am a 20-year-old Swede with determination and commitment. I have often thought of spending time at sea and your job seems to be the perfect opportunity.

Although I have no on board experience, I have been working as a waitress in a local restaurant for the last 18 months and I have also had some experience of bar work. My knowledge of English is quite good, as I have been attending classes for the last six years. I would like to add that I have visited many parts of the Mediterranean myself and could talk to guests confidently during the voyage.

As for other personal qualities which might be useful on board a ship, I am an organized and easy-going person, so sharing a cabin with other crew members would not be a problem.

I am sure I would make a success of this job and I hope you will consider my application.

Yours faithfully
Pernilla Axelsson
